## Planning for September.

Dear Parents & Carers,

I know I have said it on past newsletters, but it is lovely to see more and more children back in school. The chatter and laughter of friends reunited after a forced break and the smiles from teaching staff doing what they have been trained to do and the pupils enjoying being back in the classroom learning has started to return Holbrook School to the happy and caring learning environment we all know and love.

Hopefully the weather will be kind next week and our Year 6 pupils can enjoy the grounds on their last day at Holbrook School; we hope that many of the pupils will come in on their day to say their goodbyes even if it can't be our traditional handshake with all the staff. Even if your child hasn't yet come back we would love to see them.

The school term ends next week (**Friday 17<sup>th</sup> July**) and reopens on **Thursday 3<sup>rd</sup> September**. Whilst I am sure that we all hope that during the summer break the country returns to complete normality we cannot predict exactly what will happen over these 6 weeks and how school will look. The school leadership team have been busily looking at the guidance for schools for September and will continue to do so over the summer as and when any new advice comes out so that we can make the school as safe as possible for all pupils. At the moment it looks like all pupils will return on **Thursday 3<sup>rd</sup> September**; pupils in Nursery and Reception will begin their phased start.

We would love to get your views about home learning over lockdown. Please complete the short questionnaire

Holbrook School

Monday • 15:23

This is just a text reminder from Holbrook School that **TUESDAY** is Daniel's day in school. We look forward to seeing him tomorrow.

During lockdown, you will have received e-mails and text messages from school keeping you updated and we will continue to use these methods if there is any change or, hopefully just to remind you when to come back to school. Therefore, if you do change e-mail address or mobile phone number it is really important that you keep us informed so while school is closed over the holidays - please e-mail your child's full name and date of birth in to [updatecontacts@holbrook.coventry.sch.uk](mailto:updatecontacts@holbrook.coventry.sch.uk) with your new details and we will update our system so you don't miss out.

We hope you have a good weekend and I look forward to seeing everyone next week on the final week of term. Stay safe.

## Weekly Challenge

Be mindful of your **BEST!**

- Be active... Aim for 60mins of exercise a day
  - Eat healthily... Remember your five a day
  - Sleep well
  - Take time for you...
- Be healthy inside and out!

### Challenge 22 – Time for tea!

This challenge is especially for our older pupils, those in Early Years or Key Stage 1 will need help. This week, I want you to learn to make your parents and carers the perfect cup of tea or coffee!

Over lockdown with school's and work places being closed parents and carers have had the extra pressure of being your teachers. Whilst a cup of tea or coffee is not really much of a thank you for all their hardwork it is a small step to show your appreciation.

If you do join in this week's challenge please take a picture and email it in to:- [challenge@holbrookprimary.com](mailto:challenge@holbrookprimary.com).

## WANTED CLEANER!

The school is looking for a temporary cleaner starting in September.

Working 2 ½ hours a day 3:00pm - 5:30pm
