

Holbrook News

Welcome Back.

We are delighted to welcome back everyone to school at the start of this new school year.

It has been lovely to see so many children looking so smart and proud in their school uniforms especially with the recent rises in prices making it tough for everyone. With this in mind, please make sure every item of clothing is named so when your child is changing for PE or jumpers and cardigans taken off in the warm weather, any item they misplace can be returned to them.

As well as the children looking smart in their new school uniforms, the school itself is looking smart with the roof works completed, scaffolding removed and the MUGA (Multi Use Games Area) having artificial grass to improve the surface for breaktimes and PE lessons.

My dedicated team have been busy planning lots of amazing lessons and learning opportunities that meet the needs of the pupils in our care at Holbrook School and on my walks around the school, it has been great to hear the buzz of excitement as pupils get stuck straight back into their learning!

After an exciting first few days, I hope that you all have a restful weekend and we look forward to seeing you on Monday.

Mrs Mc Carthy

Friday 15th	PE—Year 3, 3G Swimming & Year 6

Newsletter Date: 8 September 2023

Year 6

Secondary School Applications

The deadline for all applications is

31 October 2023.

Pupils have only just started Year 6 and parents need to already start thinking about next year!

Over the next few weeks secondary schools will be holding open days so you can visit before making your online application.
