May the good weather continue?

This week has seen a really mixed bag of weather, sunny days drizzle and rain! This mix of weather does bring up that age old question with the British weather - 'Do I need a coat today?'

The weather may be fine in the morning on the journey to school, but the weather can turn later on in the day. Teachers and dinner staff will try and give children their playtimes outside—even in very light rain because having the time to run around, get the blood flowing and burn off energy not only keeps children fit and healthy but research shows that more active children perform better at school! So, having a coat in school all the time is always a good idea!

Another problem for parents with the changeable weather is lost jumpers. They get taken off by children to make themselves comfortable, however they are not always put away on pegs or in drawers especially as they seem to make great goal posts! This means we do get lots of jumpers left around the school site. Where jumpers have a name and a class inside on the label they can be quickly returned. However without a name in the label trying to find the owner of a jumper can be very tricky—especially as we have 90 pupils in each year group all wearing similar sized jumpers! Please make sure that all clothing that comes into school is named—even shoes! It is a good idea to check that the name and class is still visible on the label after a wash.

Have a great weekend—let's hope the sun shines and we all have a lovely break and see you back at school well rested on Monday.

A report on the Year 4 Trip

This Thursday, we went to the Peak District on a coach. On the way there, we saw lots of brown cows, sheep, and horses. We also saw a few tall hills and astonishing, yellow flowers.

When we got to the Moorland Discovery Centre, we set off onto the path up the hill. The pathway was invaded with sandy rocks and mud, it was challenging for some of us to walk on it. We learnt about quartz, heather, boulders and more. When we got near the top of the hill, the view was amazing.

The people on the path below looked tiny! The way down was very steep, we had to be careful with every step we took.

We were all SO tired in the end! We got into the coach and some of us slept on the way home.

Casual Lunchtime Supervisors

Mrs Brown is looking to extend her pool of Casual Lunchtime Supervisors that she can call on to cover any absence.

If you would like to be consider for the job please pick up a form at the front office.

On time... All the time!

The inner perimeter gates are locked from 8:45am as lessons start straight after registration, and we need to secure the school site for the pupils.

Recently, we have seen an increase in the number of children turning up late each day! Just being 5 minutes late each day adds up to a lot of missed learning over a year... nearly 16 hours!

So, be on time, all the time!
