

## Parents' Evening

Last week, I talked about parental involvement in school and Spring Parent's Evening is a great way of finding out how your child is doing in class this year and ways you can support at home.

We will be using an online booking system so parents can book slots that suit them—book early to get the times you want. All the school's senior leadership team will be in school if you want to chat or raise any concerns.

The link for the website is:-

<https://holbrook.parentseveningsystem.co.uk/>

You can find it on the school website.

All you need to know is your name, your child's name and date of birth as these are used for security. Hopefully if you log in for one child it should automatically link to your other children in the school.

Nursery are slightly different as you need to see your child's key worker, there is a sheet in Nursery to sign up. But to help with booking for other children—Morning Nursery are on Monday, Afternoon Nursery are Tuesday.

Mr Connolly will be holding three sessions for any parents that are struggling to make an appointment on the 12th, 13th and 14th February from 8:45–9:15.

We look forward to seeing you all at parents' evening in March.

## Cold Weather

A reminder that if we do have snow we will endeavour to keep the school open but if there is any need for a school closure the information will be announced on BBC Coventry and Warwickshire, Mercia Radio, Heart FM and Touch Radio, we will also add an announcement to the front page of the school website and School Facebook page.

Please listen to the radio rather than phone the school as we need the line to be clear to talk to the radio stations and the Local Authority.

Thank you.

## Indoor Shoes

This week, Mr Connolly had to delay the start of Gymnastic Club as the hall was too muddy! So he had to brush and mop the floor before it was suitable to use.

Could we remind all parents and pupils that they should have an indoor pair of shoes so we can leave the mud and damp at the entrance to the school building and keep our floors clean.

A good pair of indoor shoes can also be used for indoor PE—a cheap pair of black pumps are perfect to wear inside and also perfect for indoor PE.

## Weekly Challenge

We will **CHALLENGE** ourselves every day, in and out of school, to extend our experiences and widen our knowledge.

From the pictures it looks like lots of families enjoyed watching a film together, I would have liked a few reviews from our older pupils to see if others would enjoy the film!.

### Challenge 4... A work of Art!.

This week the challenge is to create a winter scene picture. You can use any media you like—paint, pencil, felt tips collage even some glitter.

As always when you do complete the challenge, please take a picture and e-mail in to:- [challenge@holbrookprimary.com](mailto:challenge@holbrookprimary.com)

There will be a special prize this week for the first 5 people to show their work of art!

## KSI Gymnastics into the Finals!

In a previous newsletter we told how Gymnastic Team under Miss Harris' direction came 2nd in their heat, missing out on winning by only 1 point! The great news is that the team scored so highly that even though they didn't win a heat they finished 2nd overall. This means that the Team will be one of the Two representatives of Coventry West Schools in the area finals in April!

We wish them the best of luck.

## Would you like to work as a lunchtime supervisor in school?

Mrs Brown is looking to increase the pool of Casual Supervisors that she can call on. If you want to apply, please get a form from the front office.
