

Holbrook News

Let's get physical.

One of the great assets of our school is the lovely green spaces that surround the school. In the summer term, we try to utilise the space as much as possible as they are perfect for rounders, cricket and athletics. Hopefully the weather will improve next week so that we can get back outside and use the field!

I have noticed that too many pupils are coming into school without or with incorrect PE kit. Please could parents check their child brings the correct PE kit to school on the correct day.

Over the next few weeks, Mr Pahal, Miss Woodward and Mr Connolly are preparing the children in PE lessons ready for one of our three sports days!

Monday 1st July—Nursery Sports Day

Monday 8th July —Reception and KS1 Sports Day

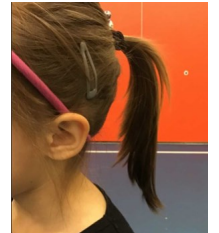

Wednesday 10th July —KS2 Sports Day

As we are outside, trainers rather than black pumps may be a better option for PE—lace up ones only for children who can tie their own laces! One reason why people in Great Britain talk about the weather so frequently is the changeable nature, in the morning it can be wet and then be sunny by the afternoon! So it can be a good idea to have tracksuit top, shorts and tracksuit bottoms and even a sun or baseball hat in PE kits ready for whatever the weather has in store! Suitable clothing makes PE far more enjoyable.

Mrs McCarthy

Reception pupils modelling perfect PE kit—Black T-shirt, black shorts or tracksuit bottoms, suitable PE shoes.

Hair tied back and earrings removed.

Attendance Report

Our attendance for last week looks red because many children had a day off to celebrate Eid. If you contacted us to let us know, we have given your child an R code for Religious observance. This is classed as an authorised absence.

FRIDAY 19th JULY

Last Day of School

School will then be closed for the summer holidays.

Autumn Term starts again on **Tuesday 3rd September.**

Roads

Please can parents make sure that children are supervised at the beginning and the end of the day.

Even though the parking on Gateside Road has improved with the new signs it still isn't safe for children to run across.

Cancelled clubs

Mr Connolly & Mr Pahal hate to cancel any sporting clubs but this week due to the rain we had no choice. The decision to cancel the club is made first thing in the morning based on the weather forecast to try and give as much time as possible to arrange collection of pupils.

When we have sporting fixtures after school and Mr Connolly or Mr Pahal are taking a team, specific after school clubs may need to be cancelled. These will be listed on the newsletter where possible. We will only send a text message when the club has not been listed on the newsletter.

Weekly Challenge

We will **CHALLENGE** ourselves every day, in and out of school, to extend our experiences and widen our knowledge.

From Reception to Year 6 lots of pupils got baking but I didn't see many cupcakes using my recipe. So maybe they got eaten too quickly to be photographed they were that tasty?

Challenge 17... Ball games

England's Lionesses are playing well in the Football World Cup and with the Cricket World Cup well under way and the tennis at Wimbledon due to start it is time for a sporty challenge.

This week I would love pupils and parents to get out and get active with a sport involving a ball! Whether it is a kick around in the park or a family game of cricket or rounders, get active!

We would love to see the sporting endeavours — especially if you have a family competition. So please take a picture and e-mail in to:-
