

Thank you for helping us celebrate World Book Day this week, it was lovely to welcome so many of you into classrooms to read with your children.

I am delighted to share that we have achieved Woodland Trust's **GOLD AWARD**! Huge thanks to everyone, especially to Mrs Hemmingway and our Eco Team!

Thank you for your support, as always. Have a wonderful weekend!

Comp 4U Archery Event

This week three pupils got to represent the school in an Archery event at the Allan Higgs Centre.

The pupils listen well to the leaders and really represented the school so well. You were amazing! Well done.

Please use the paths!

Could we remind all pupils and parents to use the paths when coming into school.

Unfortunately this week we have noticed some people using the access road in the carpark as well as some people taking a short cut across the grass. As well as damaging the grass and potentially bringing mud into the school, walking over the carpark is unsafe.

Online Safety.

This content has been blocked because it does not comply with your acceptable usage policy.

To keep children safe in school when they access the internet we have filters in place that prevent access to unsuitable websites. All home internet service providers can also offer this facility (normally for free!) if you opt in.

Also all computers run monitoring software that captures inappropriate words that slip through the filters.

However, good the monitoring and filtering is, your child talking to an adult if they find something that makes them uncomfortable online is the most important thing.

Use your voucher

As part of World Book Day everyone was given a £1 book token to use to buy a book! As well as lots of book shops, Tesco's stocks the books that cost £1 but if you want to buy another book the token can be used to get a pound off the price!
