

Autumn Days.

This autumn term has shown why people around the world think that people from Britain always talk about the weather. We have had hats and scarfs one day and the next it is shorts and t-shirt weather! In fact some days when you set off for school you aren't sure exactly what the day will hold so you have coats at the ready.

This does mean that we have had a few parents hunting for lost jumpers their children have taken off and not put away properly! So this is a good moment to remind parents to label up all clothing items that get removed—during PE (EVEN SHOES!) This means should your child misplace it or accidentally wear some other child's clothes, they can be easily returned.

The labels don't have to be the printed variety that need to be sewn in or ironed on, but just writing in pen on the label. If named in pen, check after each wash that the label is readable as even permanent pen fades over many washes.

Sometimes a surname isn't enough as there can be many children who share the same family name in our school—so a first name and class can help.

Hopefully if every item of clothing is named even if your child accidentally picks up the wrong jumper it can quickly be swapped back so parents and children don't need to spend any time hunting for lost clothes.

After half term we have a young visitor in school doing an Assembly on Scouting and the World Jamboree—Mr Connolly's son!

During the week he will be organising a Bingo night for pupils to raise money. Tickets are £1.50 and as well as game cards will include a snack and drink to enjoy when playing Bingo—it is a great way to have fun and practise your number skills.

If you would like a ticket please put your money and the slip in an envelope and bring it to Mr Connolly.
