Parents' Evening and Reading

Our first parents' evening of the academic year is on Monday 15th & Tuesday 16th October. To book to see your child's teacher, apart from Nursery, you can use a simple online booking system. You can then pick the time that best suits you for your meeting.

<https://holbrook.parentseveningsystem.co.uk/>

To be able to book online, you need your child's name and class and you can log on. The system is now live for booking and you have until midnight on 5th of October to book your own appointment—the link is on our school website and Twitter feed. Mr Connolly will be available on the morning of Wednesday 3rd October, to help any parents with problems booking.

One thing many teachers will mention at parents' evening is **reading**. Children learn so much from reading. They can also learn from hearing others read, (parents and carers, not just teachers!) You can show your child how to read clearly and with expression, how the text is read from left to right and how you can put on different voices for different characters too! All of this will support their reading skills while expanding their vocabulary. Reading a story together at bedtime is a great way to end the day but also a way of helping your child with their learning.

Your child comes home with a reading book and reading record every day. It would be really helpful if you could spend a little time each day hearing them read. Please fill in the reading record when you have heard your child read to tell us how you think your child is doing!
