

Holbrook News

Digital Newsletter!

Well it has happened! This week we are implementing the idea from our School Council and not printing 500 pages out! I am sure that the office will be as pleased as the environment.

This weekend sees 30 pupils head off to Dol-Y-Moch on a 5 day residential, I am sure that they will have a wonderful time and return with many stories and memories that will stay with them long after they leave our care. I hope the weather is kind to them!

With lots of staff involved in the trip and the Dol-Y-Moch alternative many clubs are effected so please check this weeks cancelled club list.

Awash with green.

It makes me very proud as the Head Teacher of Holbrook Primary when I see so many children in our school wanting to join in and take part in our charity events. For me, today was such a day as the school became a sea of green as pupils came dressed ready to join in our Macmillan fund raising armed with their donations! So! a huge thank you to you, our parents, for supporting your child and this charity and making it happen. When we have counted all the £s, I will have the grand total to announce!

Mushrooms

Having great school grounds means that during the autumn we do have mushrooms growing on site. Mr Pahal has removed all that he has found but they do grow very quickly.

At the beginning and end of the day please supervise your child and if you notice any mushrooms please tell the office where on the school site you found them so we can remove them.

Parents' Evening.

Monday 14th & Tuesday 15th October

15:15—18:00

To book to see your child's teacher logon to our online system:-

<https://holbrook.parenteveningsystem.co.uk/>

You have until midnight on 5th of October to book your own appointment. It is very easy to do on a phone, tablet or computer. All you need is your name is a few details about you and your child (Class and Date of Birth)

Mr Connolly will be available on the morning of Wednesday 2nd, Thursday 3rd and Friday 4th October, to help any parents with problems booking.

Shoe Laces!

If your child is wearing lace up shoes please make sure that **THEY** can tie their own laces and don't require an adult to help them!

Tying your own shoe laces requires a level of dexterity that children develop between five and seven years old. So for our younger pupils it can be really hard and Velcro or slip on shoes may be a better option. There is a good rhyme on YouTube and with some card and lace (Different colours help!) you can practise at home.
