

Holbrook's got Talent!

After this week in school never has a newsletter title been so apt! We have had some amazing showcases of talent in the school.

For the last half term Bangracise Club has been cancelled so Mrs Nijjar can work with pupils during lunch time and after school on their fusion of British and Asian dance for a competition. All auditions, practice and rehearsals really paid off as out of 40 schools the children came second! So a big thanks to Mrs Nijjar and a huge **WELL DONE** to all our performers.

Then we were extremely lucky to be very spoilt this week by the Year 1 class assemblies. The children shared what they had learned all about Lady Godiva. It makes me proud to see how the children have grown in confidence over their time with us. They sang, danced and acted and I was very impressed with the loud, clear voices that they used. As the song they sang said; 'What have you done today to make you feel proud?' each class can certainly be proud of their amazing assembly and as their head teacher I am hugely proud of how well each class has performed. Well done Year 1.

We wish you all a happy half term and hope that you have an enjoyable time. If you do get the opportunity, please don't forget to hear your child read and share stories together! This will help keep reading skills sharp while extending vocabulary ready for their return to school. Have a lovely holiday and I look forward to hearing what you have done when you return on Monday 2nd March.

Challenge 7... Make a Costume.

Thursday 5th March World Book Day

Use those safe internet searching skills to find some ideas.

COVENTRY TRANSPORT MUSEUM

Driving curiosity

Coventry has a fine history within the car industry and you can find out more at the Transport Museum, If you pick the right day for a visit there are a few workshops on.

The challenge isn't limited just to Coventry, if you are in London you could go to the Natural History Museum. Leicester has the Space Centre and Milton Keynes has Bletchley Park home of the code breakers in the 2nd World War! In fact whatever you might be interested in there is probably a museum where you can find out more!
