

Growing Game
Home Learning Instructions

You must complete the activities in red and choose another 4 to complete over the next term.

REMEMBER:

- Try to do one activity per week.
- Be creative in your learning
- Take pride in the presentation of your learning - make models, posters, cards, comic strips, etc.
- Add borders, pictures or flaps to make it more interesting
- Bring your homework in on a Wednesday.

Things that you can research at home

- Beatrix potter
- Georgia O'keeffe
- How plants grow
- Different types of plants
- What plants need to survive
- Healthy foods
- Different food groups

Create a drawing of a plant and label it.

Research a famous artist who likes to draw living things.

Research plants in different countries.
Is it different to the UK?

Design or create a new type of plant.
What features will it have?
Eg: a fire breathing rose

Find out about the cost of different fruits. Can you order them from most expensive to least expensive?

Draw the life cycle of a plant.

Research your favourite type of food and create a fact file.

Think about:

- Where it is from.
- What it needs to grow.
- Are there different types sold?

Write an exciting story about a journey of a plant growing. Remember to try and include your writing targets.

Write a book review of a story you have read that is about plants or foods
e.g: The big carrot

Make a model of your favourite plant or food plate.
