

## World Book Day

Reading is such an important part of Primary Education. Once you have mastered the phonetic sounds and the tricky red words a whole world of books opens up. There is nothing more exciting than listening to a fantastic story and reading to find out facts and information about the world and beyond!

Even in Year 6 regular reading is critical. Reading not only is enjoyable but it helps expand vocabulary. That is why as a school we like pupils to read every night at home and record it in the reading diaries. It is great if you can ask your child questions about what they have read.

World Book Day continues to be a real celebration of books and characters that we have enjoyed reading about. It was great to see so many homemade costumes this year. Well done to all the children (and parents) for making your own outfits.

WOW!!!

Attendance is so much better this week.

14 classes beat our target of 96% but even better 3 classes getting 100%!

So a huge **WELL DONE** to 1M, RL and 2S for going green as they managed 100% attendance. I hope you enjoyed your treat.

## Red Nose Day! Friday 15th March 2019

The school council have decided to help raise money for Comic Relief.

Throughout the week beginning Monday 11th March, we will be selling red noses outside Mrs Wigfield's class door at hometime. They will cost £1.25. Be quick, as there are only 200 up for grabs.

On Friday we want everyone—even the teachers—to come into school in red clothes and bring a £1 donation.

## Weekly Challenge

We will **CHALLENGE** ourselves every day, in and out of school, to extend our experiences and widen our knowledge.

This week's challenge is linked to World Book Day on Thursday March 7th

### Challenge 7... Buy a Book!

After seeing an array of amazing costumes yesterday this week challenge again links to books!

Buy a book—or rather spend your World Book Day token.

As well as lots of book shops, Tesco's stocks the books that cost £1 but if you want to buy another book the token can be used to get a pound off the price!

## Handa's Surprise Puppets

All Reception parent's are invited to take part in a workshop with their child on either 11th or 18th March 3:10pm until 4pm.

The workshop will be the same on both days and all resources needed will be provided.

## Muddy PE Lessons!

In KS2 some of the PE units of work, like Rugby or Football, may be outside on the school field so PE kits might get a little muddy as pupils learn and develop their skills.

If your child has football boots we encourage children to wear them as it gives more grip.

## Start of School

Can we remind parents that the school gates are opened from 7:50 for Breakfast Club which starts at 8am—Booking with Mrs McGregor before attending is essential.

For everyone else registration for school starts at 8:45 so you need to be in the classroom ready for learning by then!
